Interesting since it is the Chinese New Year and all...and it is also the year of the water dragon...however, snakes really sound like you :)

Snakes:

MARRIAGE

Because the Snake is so choosy, he can become jealous and obsessive about his partner. They can be a bit stand-offish with their mates, choosing to push away emotions rather than confront their feelings and insecurities. Once betrayed, you can bank on not ever being trusted by the Snake again as much as you can bet he will get even.

PARTNERS IN LOVE

Snake*Dragon

You fit well together you share flirtatious natures and zesty outlooks.

SNAKE PARENT/CHILD KINSHIPS

Dog affectionate at times ***

SCORPIO SNAKE

These individuals have hidden emotions and feelings that rarely ever surface. They are quite guarded with their thoughts and opinions and do not upset easily.
